

Blue Access for MembersSM

Health care at your fingertips.

Blue Cross and Blue Shield of Illinois helps you get the most from your health care benefits with Blue Access for Members (BAMSM). You and all covered dependents age 18 and up can create a BAM account.

With BAM you can:

- Find care – search for in-network doctors, hospitals and other health care providers
- Get your digital member ID card
- Check the status or history of a claim
- View or print Explanation of Benefits statements
- Sign up for text or email alerts

If you have questions about BAM, call your Health Advocate at **888-902-8293**. Health Advocates are available 24/7 to help.

It's easy to get started.

Use your member ID card to create a BAM account at **bcbsil.com**, or text **BCBSILAPP** to **33633** to download our mobile app.*
