

# No-Cost Preventive Drug List

## Medication Covered at \$0 Cost to You

Effective Jan. 1, 2023

Your health plan may include certain prescription and over-the-counter (OTC) preventive medicines, as a benefit of membership, at no cost to you when you use a pharmacy or doctor in your health plan's network. There is no co-pay, deductible or coinsurance, even if your deductible or out-of-pocket maximum has not been met. Coverage for these medicines can vary according to the type of plan you are enrolled in. Call the Customer Service number listed on your member ID card to find out what drugs are covered at no cost share under your plan.

Below are some examples of drugs that are often used for preventive care. These may be covered under your plan for both adults and children. This list does not include all drugs that may be prescribed for preventive care. It will be reviewed from time-to-time and is subject to change.

Please see the Contraceptive Coverage List for a list of contraceptive methods that may be covered at no cost to you. Age limits, restrictions and other requirements may apply.\*

\* Some of these products may be covered under your medical benefit if provided by a doctor in your health plan's network.

\*\* Your health plan covers two 90-day treatments for tobacco use cessation medicine per benefit period.

Prescription coverage for these drugs may vary according to the terms and conditions of the plan. Only retail pharmacies participating in the vaccine network may be used to get a covered vaccination. To find a vaccine pharmacy, visit bcbsil.com. A prescription may be required to cover without cost-sharing under the pharmacy benefit for non-grandfathered plans. The plan may also require a generic drug to be tried first before the brand version. Your doctor can submit a copy waiver or coverage exception from BCBSIL (unless you have a benefit exclusion) for products not covered on your prescription drug list. Your doctor can call the number on your member ID card to ask for a review. If you meet the conditions as outlined under the Affordable Care Act, you may have \$0 member cost-sharing (no deductible, copay or coinsurance). BCBSIL will let you, and your doctor, know the coverage decision after receiving your request. If the request is denied, BCBSIL will let you and your doctor know why it was denied and offer you a covered alternative drug (if applicable).

This information is for informational purposes only, does not constitute legal or other advice and should not be relied upon to determine coverage. Treatment decisions are between the member and his or her health care provider. Coverage is always subject to the terms and limits of the benefit plan. For details about your plan, check your benefit materials or call the number on your member ID card.
